ORDER FORM ............................................... FOLD OUT BACK COVER
The Medical Education Resource Catalog offers a wide variety of resources in a range of formats to support the educational needs of health care professionals in areas of pain management. Many of the resources are Accredited Continuing Education Resources offering credits for physicians, nurses, pharmacists, and case managers.

### ACCREDITED CONTINUING EDUCATION RESOURCES

**Managing Pain: Standards, Strategies, and Treatment Series (Vol. 1)**

**Pain Assessment**

This 52-slide PowerPoint program on CD-ROM, authored by Jennifer Schneider, MD, is intended to provide health care professionals involved in the treatment of patients in pain with the most current assessment techniques that support and incorporate patients' self-report of their pain states. (See also Accredited Continuing Education Internet Resources.)

Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician's Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour, through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University). Accreditation expiration: August 31, 2004.

**JCAHO: New Standards for the Assessment and Management of Pain**

This 78-slide PowerPoint program on CD-ROM, authored by June Dahl, PhD, is intended to inform health care professionals about the new pain standards (as established by the Joint Commission on Accreditation of Healthcare Organizations [JCAHO]) that apply to health care facilities involved in direct patient care, so that these new standards can be used to facilitate good pain management practices in their care settings. (See also Accredited Continuing Education Internet Resources.)

Accredited for physicians (maximum of 1.5 hours of Category 1 Credit toward AMA Physician's Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.5 contact hours, through the California Board of Registered Nursing), and pharmacists (1.5 contact hours [0.15 CEU] of approved ACPE continuing education, through Purdue University). Accreditation expiration: January 31, 2005.
Managing Pain: Standards, Strategies, and Treatment Series (Vol. 2)

The Pain Processing Pathways
Part of the slide lecture series: Managing Pain: Standards, Strategies, and Treatment. This resource, supported by an unrestricted educational grant from Purdue Pharma L.P. and authored by Bernard Abrams, MD, provides the most current details regarding pain processing pathways. (See also Accredited Continuing Education Internet Resources.)

Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1 contact hour through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).

Accreditation expiration: November 4, 2005.

Issues in the Regulation of Pain Management for Pharmacists
This 55-slide PowerPoint program on CD-ROM, authored by David Brushwood, RPh, JD, provides the health care professional who is a member of the interdisciplinary pain management team with an understanding of the changes and professional responsibilities in pain management care, specifically from a pharmacist’s perspective. (See also Accredited Continuing Education Internet Resources.)

Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).

Accreditation expiration: January 1, 2005.

Evidence-Based Pain Medicine: An Internet Resource
This CD-ROM resource, intended for pharmacists and health care professionals involved in the treatment of pain, provides a collection of outstanding websites with links as a practical tool to locate and retrieve information on evidence-based medicine and its concepts as related to pain management.

Accredited for pharmacists (2.0 contact hours [0.2 CEU] of approved ACPE continuing pharmaceutical education, through the University of Utah College of Pharmacy).

Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditors’ behalf.

ACCREDITED CONTINUING EDUCATION RESOURCES

Item #0ME203

Pain Management Strategies Which Improve Quality of Care and Quality of Life: With Video Case Histories
A CD-ROM program providing pain management strategies to improve quality of care and quality of life, utilizing video case histories to illustrate strategies.
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour, through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditor’s behalf.

Item #0ME105

Pain Report: An Update on Issues, Research, and Treatment Trends (No. 5)
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. A report of the evidence-based approach to pain management, cancer pain, clinical management of lower back pain, and arthritis treatment guidelines.
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour, through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
(See also Accredited Continuing Education Internet Resources.)
Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditor’s behalf.

Item #0ME115

Pain Report: An Update on Issues, Research, and Treatment Trends (No. 6)
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. A report of the guidelines for management of persistent pain, disparities in pain management, alternative approaches to pain management, and legal and ethical issues.
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
(See also Accredited Continuing Education Internet Resources.)
Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditor’s behalf.
Addiction, Diversion, & Regulatory Issues

Item #0ME102

**The Pharmacist’s Duty to Dispense Legally Prescribed and Therapeutically Appropriate Opioid Analgesics**

This ACPE accredited feature article on case law, state, and federal regulatory mandates, authored by David B. Brushwood, RPh, JD, was first published in *Pharmacy Times*. January 2002;68(1):55-65.

(See also Accredited Continuing Education Internet Resources.)

Accredited for pharmacists (2.0 hours [0.2 CEU] of ACPE continuing education credit, through Temple University School of Pharmacy).

Permission has been granted by the accreditor for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditor’s behalf.

Accreditation expiration: January 31, 2005.

----

Item #0PO400

**Urine Drug Testing in Primary Care: Dispelling the Myths & Designing Strategies**

A monograph to provide primary care/family physicians with the basic knowledge needed to rationally employ urine drug testing in clinical practice, improve patient care, and protect themselves.

(See also Accredited Continuing Education Internet Resources.)

Accredited for physicians (maximum of 2 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the California Academy of Family Physicians; up to 2 Prescribed Credit hours, through the American Academy of Family Physicians).

Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditors’ behalf.

----

Item #0ME204

**Issues and Insights: Lawful Opioid Prescribing and Prevention of Diversion**

An accredited CD-ROM for health care professionals sponsored by the Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P.

Accredited for physicians (maximum of 2 hours in Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation) and pharmacists (2.0 contact hours [0.2 CEU] of approved ACPE continuing education, through Purdue University)

Permission has been granted by the accreditors for fulfillment of your request for this resource by Purdue Pharma L.P. acting on the accreditors’ behalf.

NONACREDITED EDUCATIONAL RESOURCES

Pain Assessment & Management

Advances in Pain Management (OxyContin® [oxycodone HCl controlled-release] Tablets C-II) Slide Kit
A PowerPoint slide program on CD-ROM with extensive speaker notes—a comprehensive learning program about the use of OxyContin® tablets, as well as information on the epidemiology, causes, and side effects of cancer and other types of persistent pain.

We are taking advance orders for this resource, which is expected to be released by the end of 2003.

Item #0PO401

Pain Management Kit
This CD-ROM contains a diverse selection of forms and assessment tools that can be used to record pain intensity and duration, patient consent, treatment, clinical follow up, and patient response to treatment. Also provides pain diaries for patient use, drug abuse screening tools, and reference papers that document the latest consensus on the treatment of persistent pain, the use of opioids, and authoritative definitions related to the use of opioids to treat pain. Except as noted, these forms may be duplicated for clinical use and integrated into clinical practice to enhance clinical records and to document ongoing interaction with patients.

Item #PAP005

Pain: An Illustrated Resource (Module 1 of 3)
This unique source of animations on CD-ROM has been developed to provide health care professionals with images that illustrate our current understanding of the key processes involved in pain transmission. Module 1 focuses on the basic pathophysiology of pain transmission. All of the animations and images contained on this CD-ROM may be downloaded and used by health care professionals for any educational purpose.

Item #0MC296

Pain: An Illustrated Resource (Module 2 of 3)
This unique source of animations on CD-ROM has been developed to provide health care professionals with images that illustrate our current understanding of the key processes involved in pain transmission. Module 2 covers advanced pathophysiology and the nociceptive and neuropathic pain responses. All of the animations and images contained on this CD-ROM may be downloaded and used by health care professionals for any educational purpose.

Item #MC296A
NONACCREDITED EDUCATIONAL RESOURCES

**Item #0ME005**

**Opioid Pharmacology: Review & Update**
An 18-slide PowerPoint presentation on CD-ROM with speaker notes that reviews basic opioid pharmacology, with particular emphasis on differentiating among opioid types based on their interactions at the opioid receptors responsible for mediating their analgesic effects.

**Item #0ME006**

**Principles of Pain Pharmacotherapy: Continuum of Care**
A 51-slide PowerPoint presentation on CD-ROM with speaker notes that reviews the principles of and different options for pain pharmacotherapy.

**Item #0ME008**

**Disparities in Pain Management Among Minority Populations and Among the Medically Underserved**
This 44-slide PowerPoint presentation on CD-ROM will review the evidence for undertreatment of pain in minority populations, review possible causes, and suggest measures that health care professionals can implement to reduce disparities.

**Item #0ME008**

**The Total Cost of Pain**
A 23-slide PowerPoint presentation on CD-ROM with a historic overview and the current statistics concerning the total economic and social burden of persistent pain.
NONACREDITED EDUCATIONAL RESOURCES

Item #0ME007

**Transdermal Drug Delivery Systems**
A seven-slide PowerPoint presentation on CD-ROM with speaker notes that describes and compares the two main types of transdermal drug delivery systems.

Item #0ME109

**How to Meet the JCAHO Pain Standards: A Practical Guide**
A practical guide/handbook developed from two interdisciplinary JCAHO pain strategy roundtables on the interpretation and practical implementation of the new JCAHO pain standards.

Item #00PO17

**OxyContin® (oxycodone HCl controlled-release) Tablets Package Insert**
Revised OxyContin® labeling (January 2002); available in a printed format with accompanying patient PI.
NONACREDITED EDUCATIONAL RESOURCES

Addiction, Diversion, & Regulatory Issues

Item #0ME009

Addiction Assessment
A 68-slide PowerPoint presentation on CD-ROM with speaker notes that reviews the principles of addiction assessment. Includes definitions and concepts, detection of addiction in primary care practice, initial assessment, how to increase potential for a successful outcome, and ongoing assessment and documentation.

Item #0ME011

Lawful Prescribing and Prevention of Diversion
A 100-slide PowerPoint presentation on CD-ROM with speaker notes developed in collaboration with the National Association of State Controlled Substance Authorities (NASCSA) and the National Association of Drug Diversion Investigators (NADDI). Describes the tenets of lawful prescribing and the concept of balance between lawful prescribing of controlled substances and the prevention of diversion, with many examples. Highlights recent data from the Substance Abuse and Mental Health Services Administration (SAMHSA), including the Drug Abuse Warning Network (DAWN) and the National Household Survey on Drug Abuse (NHSDA).

Item #0ME014

Urine Drug Testing in Clinical Practice: Pearls and Pitfalls
A 51-slide PowerPoint presentation on CD-ROM with speaker notes to provide clinicians with the basic knowledge needed to rationally employ urine drug testing in clinical practice in order to improve patient care.

Item #0ME012

Pharmacists' Knowledge of and Attitudes Toward Opioid Pain Medications
A seven-slide PowerPoint presentation on CD-ROM with speaker notes taken from a survey of pharmacists, which suggests that incorrect knowledge and inappropriate attitudes of some pharmacists could contribute to a failure to dispense valid prescriptions for opioid analgesics to patients in pain. The survey results were first published in *J Am Pharm Assoc* 2001;41:213-220.
NONACREDITED EDUCATIONAL RESOURCES

**Item #0ME110**

**Consensus Paper: Definitions Related to the Use of Opioids for the Treatment of Pain**

Four PowerPoint slides on CD-ROM that summarize the messages from a consensus document developed by the American Academy of Pain Medicine, the American Pain Society, and the American Society of Addiction Medicine with definitions related to the use of opioids for the treatment of pain.

**Item #0ME010**

**Is It Legitimate? Strategies for Assessing Questionable Prescriptions**

**Item #0ME207**

**Reducing Misuse, Abuse, and Diversion of Opioids Through Internet Education**

A CD-ROM that identifies key internet sites to help health care professionals minimize the misuse, abuse, and diversion of opioid analgesics. Live links, supplemental information, and standard definitions are provided.

**Item #0ME013**

**We Don’t Carry That**

A seven-slide PowerPoint presentation on CD-ROM taken from a survey demonstrating the lack of pharmacy access to opioids in minority communities. These survey results were first published in *N Engl J Med.* April 2000.
NONACREDITED EDUCATIONAL RESOURCES

Pain Updates & Highlights

**Internet Pain Guide: A Guide to Pain Management Sites & Links**
Item #0ME205
A collection of authoritative sites on pain management currently available on the internet, with live links to the sites provided. This resource was sponsored by the Dannemiller Memorial Educational Foundation.

**Pain Report: An Update on Issues, Research, and Treatment Trends (No. 2)**
Item #0ME106
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. A report on the ongoing challenges of cancer pain control, communicating with patients for better pain management, evidence-based strategies that improve pain management outcomes, hospice pain management (the role of the interdisciplinary hospice team), and the pharmacist’s role in cancer pain management. Issued in August 2001.
Permission has been granted by the sponsor for fulfillment of your request for this resource by Purdue Pharma L.P.

**Pain Report: An Update on Issues, Research, and Treatment Trends (No. 3)**
Item #ME106A
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. A report on how pain is undertreated in minority patients, prudent opioid prescribing (clinical and legal issues), multidisciplinary pain centers that integrate the activities of health care professionals, and meeting the challenges of chronic back pain. Issued in May 2002.
Permission has been granted by the sponsor for fulfillment of your request for this resource by Purdue Pharma L.P.

**Pain Report: An Update on Issues, Research, and Treatment Trends (No. 4)**
Item #ME106B
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. A report on guidelines for comprehensive assessment of cancer pain, the impact of palliative care on the quality of life, achieving pain relief in osteoarthritis, and management of pain in patients with HIV/AIDS. Issued in June 2002.
Permission has been granted by the sponsor for fulfillment of your request for this resource by Purdue Pharma L.P.
NONACREDITED EDUCATIONAL RESOURCES

Item #PAP079

Partners Against Pain/General Edition
A newsletter that is instrumental in keeping the health care professional informed about the latest developments in the pain management field. Current issue.

Item #PAP078

Partners Against Pain/Pharmacy Edition
A newsletter that is instrumental in keeping pharmacists and other health care professionals informed about the latest developments in the pain management field. Current issue.

Item #0ME111

Speakers RE:source Newsletters
A newsletter that provides the health care speaker/presenter with informational nuggets on education, entertainment, and electronics to take into consideration in the preparation and delivery of a lecture. Current issue.
NONACREDITED EDUCATIONAL RESOURCES

**Symposium Spotlight (Issue 5)**
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- American Pain Society 20th Annual Meeting: April 2001
- American Society of Pain Management Nurses 11th Annual Meeting: March 2001
- American College of Clinical Pharmacy Spring Practice and Research Forum: April 2001

**Symposium Spotlight (Issue 6)**
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- American Pain Society 20th Annual Meeting: April 2001
- 29th Annual Physician Assistant Conference: May 2001
- American College of Pharmacy Spring Practice and Research Forum: April 2001

**Symposium Spotlight (Issue 7)**
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- 29th Annual Physician Assistant Conference: May 2001
- America’s Senior Care Pharmacists 23rd Midyear Conference: May 2001
- American Association of Nurse Practitioners 16th Annual Meeting: June 2001
- American College of Physicians-American Society of Internal Medicine Annual Session: March 2001
NONACREDITED EDUCATIONAL RESOURCES

Symposium Spotlight (Issue 8)
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- American Academy of Family Physicians Scientific Assembly: October 2001
- American Society of Clinical Pharmacists 32nd Annual Meeting: Senior Care Pharmacy: November 2001
- 26th Nurse Practitioner Symposium: July 2001

Symposium Spotlight (Special Edition)
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- Postgraduate Assembly in Anesthesiology: December 2001
- American Society of Health System Pharmacists 36th Midyear Clinical Meeting: December 2001

Symposium Spotlight (Issue 9)
A newsletter series that provides the health care professional with highlights from presentations at various national symposia related to pain assessment and management, solutions for abuse and diversion, addiction assessment, and other timely topics.

- 3rd Annual Disease Management Leadership Forum, Disease Management Association of America: October 2001
- 6th Annual Disease Management Congress: October 2001
CONTINUING EDUCATION RESOURCES AVAILABLE DIRECTLY FROM ACCREDITING ORGANIZATION

There may be a charge for resources obtained directly from the accrediting organization.

Pain Assessment & Management

Communication: The Key to a Successful Pain Team
This article, authored by Michael J. Demoratz, PhD, LCSW, CCM, was first published in the Disease Management Digest segment of Care Management Journal (April 2003;9(2):6-8). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.

Creating and Implementing Opioid Agreements
This article, authored by Howard A. Heit, MD, FACP, FASAM, was first published in the Disease Management Digest segment of Care Management Journal (February 2003;7(1):2-3). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.
Accreditation expired: July 31, 2002; available for self-study.

Opioid Pain Management in Patients with a History of Addiction
This article, authored by Howard A. Heit, MD, FACP, FASAM, was first published in the Disease Management Digest segment of Care Management Journal (December 2002;8(6):6-8). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.
Accreditation expired: July 31, 2002; available for self-study.

Ensuring a Continuum of Effective Pain Control
This article, authored by Carol P. Curtiss, RN, MSN, was first published in the Disease Management Digest segment of Care Management Journal (October 2002;8(5):4-6). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.
Accreditation expired: July 31, 2002; available for self-study.

Osteoarthritis Pain: APS Guideline Offers New Help for Case Managers
This article, authored by Carol P. Curtiss, RN, MSN, was first published in the Disease Management Digest segment of Care Management Journal (August 2002;8(4):2-3). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.
Accreditation expired: July 31, 2002; available for self-study.

Managing Pain in Children and Adolescents
This article, authored by Carol P. Curtiss, RN, MSN, was first published in the Disease Management Digest segment of Care Management Journal (June 2002;8(3):7-8). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P.
Accreditation expired: July 31, 2002; available for self-study.
CONTINUING EDUCATION RESOURCES AVAILABLE DIRECTLY FROM ACCREDITING ORGANIZATION

There may be a charge for resources obtained directly from the accrediting organization.

Advocating for Appropriate Opioid Prescribing
This article, authored by Carol P. Curtiss, RN, MSN, was first published in the Disease Management Digest segment of Care Management Journal (April 2002;8(2):4-5). This resource is supported by an unrestricted educational grant from Purdue Pharma L.P. (See also Accredited Continuing Education Internet Resources.)
Accreditation expired: July 31, 2002; available for self-study.

New Perspectives on the Pharmacology of Opioids and Their Use in Chronic Pain
This Dannemiller Pain Management Monograph was supported by an unrestricted educational grant from Purdue Pharma L.P. The faculty for this monograph are Rolley E. Johnson, PharmD, and Peter S. Staats, MD, both of the Johns Hopkins University School of Medicine.
You may receive a copy of this printed monograph by directly contacting the sponsor at:
New Perspectives on Opioids Monograph
Dannemiller Foundation
12500 Network Blvd; Suite 101
San Antonio, TX 78249
E-mail: dannemiller@pain.com
Telephone: (800) 328-2308
(See also Accredited Continuing Education Internet Resources.)
Accredited for physicians (maximum of 1.5 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), pharmacists (1.5 contact hours [0.15 CEU] of continuing pharmacy education, through Purdue University), and nurses (1.5 contact hours, through the California Board of Registered Nursing).
CONTINUING EDUCATION RESOURCES AVAILABLE DIRECTLY FROM ACCREDITING ORGANIZATION

There may be a charge for resources obtained directly from the accrediting organization

Addiction, Diversion, & Regulatory Issues

Addiction & Pain Assessment & Treatment Issues
This supplement to Clinical Journal of Pain (July/August 2002;18[4]) was supported by an unrestricted educational grant from Purdue Pharma L.P. This supplement is available from the publishers (Lippincott Williams & Wilkins).

Accredited for physicians (maximum of 6 hours in Category 1 Credit toward AMA Physician's Recognition Award, through Lippincott Williams & Wilkins).

Pharmacists' Responsibilities in Managing Opioids: A Resource
This American Pharmaceutical Association Special Report reviews the regulations governing the prescribing and dispensing of controlled substances and the responsibilities of pharmacists in managing opioids. This resource was supported by an unrestricted educational grant from Purdue Pharma L.P. and is available from the American Pharmaceutical Association (Washington, DC).

Accredited for pharmacists (2 hours [0.2 CEU] of ACPE continuing education credit, through the American Pharmaceutical Association).

Substance Abuse Among Health Care Professionals: Recognition and Management
A monograph for health care professionals related to the recognition and management of medication abuse.

Certified for physicians (maximum of 1 Category 1 Credit toward AMA Physician's Recognition Award, through Albert Einstein College of Medicine), for nurses (as education design 2, through Montefiore Medical Center for continuing education in nursing), and for pharmacists (1 hour of credit [0.1 CEU] of continuing pharmacy education, through the University of Tennessee College of Pharmacy).

Albert Einstein College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

For copies of this accredited activity, please contact the accreditor at (800) 575-4431 Ext. 4605.
Pain Assessment & Management

**Case Studies in Pain Management**
This series of simulated patient encounters highlights areas of particular clinical concern to family physicians, including the proper assessment of pain syndromes, the appropriate use of opioids, and the prevention of medication diversion. Each simulated patient encounter includes multimedia to emphasize key aspects of the case and provide supplemental learning. Rationale and references are provided for additional self-directed learning and to give an evidence base for the cases. Supported by an educational grant from Purdue Pharma L.P., and available at the American Academy of Family Physicians (AAFP) web site [http://aafp.org/x14731.xml](http://aafp.org/x14731.xml).

Accredited for physicians (maximum of 2 hours of Prescribed AAFP credit).  

**Pain Management Grand Rounds**
Each of these lectures is a 1-hour web-based presentation that simulates a Grand Rounds lecture. This program, supported by an unrestricted educational grant from Purdue Pharma L.P., is available at [www.hopkinscme.edu](http://www.hopkinscme.edu).

- A Practical Approach to Opioid Therapy for Chronic Pain (Russell K. Portenoy, MD)
- Expertise with Opioids: Facilitating Rehabilitation for the Disability of Chronic Pain (Michael R. Clark, MD, MPH)

Each presentation is accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Johns Hopkins University School of Medicine).

Accreditation expiration: March 1, 2005.

**Life After JCAHO: Keeping the Momentum in Pain Management**
This program, supported by an unrestricted educational grant provided by Purdue Pharma L.P., was presented at the American Society of Health-System Pharmacists (ASHP) 37th Midyear Clinical Meeting, held in Atlanta, Georgia, December 11, 2002. Available at [www.ashp.org](http://www.ashp.org).

- Update on the JCAHO Pain Standards (June L. Dahl, PhD)
- Best Practices in Pain Management (Mary Lynn McPherson, PharmD, BCPS, CDE)

Accredited for pharmacists (1 hour [0.1 CEU] of continuing pharmaceutical education, through the Pennsylvania Society of Health-System Pharmacists and ASHP Advantage).

**Cancer Pain**
Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This internet-based resource, authored by Eric Chevlen, MD, provides health care professionals involved in the treatment of patients in pain with an overview of cancer pain management. This program is offered at [www.pain.com](http://www.pain.com), a website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.

Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1 contact hour, through the California Board of Registered Nursing), and pharmacists (1 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).

Accreditation expiration: August 10, 2005.

There may be a charge for resources obtained directly from the accrediting organization.
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

JCAHO: New Standards for the Assessment and Management of Pain
Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This 78-slide resource, authored by June Dahl, PhD, informs health care professionals about the pain standards established by the Joint Commission on Accreditation of Healthcare Organizations that apply to health care facilities involved in direct patient care, so that these standards can be used to facilitate good pain management practices in their settings. This program, offered on www.pain.com and www.anesthesiologyonline.com, was developed by the Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P.
(See also Accredited Continuing Education Resources.)
Accredited for physicians (maximum of 1.5 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.5 contact hours, through the California Board of Registered Nursing), and pharmacists (1.5 contact hours of approved ACPE continuing education, through Purdue University).
Accreditation expiration: January 31, 2005.

New Perspectives on the Pharmacology of Opioids and Their Use in Chronic Pain
An internet-hosted monograph, supported by an unrestricted educational grant from Purdue Pharma L.P., which provides new perspectives to the pharmacology of opioids. Available at www.pain.com.
(See also Continuing Education Resources Available Directly From Accrediting Organization.)
Accredited for physicians (maximum of 1.5 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), pharmacists (1.5 contact hours [0.15 CEU] of continuing pharmacy education, through Purdue University), and nurses (1.5 contact hours, through the California Board of Registered Nursing).

Opioid Analgesics
Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This internet-based resource, authored by Arthur Lipman, PharmD, provides health care professionals involved in the treatment of patients in pain with a detailed overview of the current status of the use of opioid analgesics. This program is offered at www.pain.com, a website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1 contact hour, through the California Board of Registered Nursing), and pharmacists (1 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
Accreditation expiration: August 12, 2005.

Pain Assessment
Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This 52-slide resource, authored by Jennifer P. Schneider, MD, PhD, provides health care professionals involved in the treatment of patients in pain with the most current assessment techniques that support and incorporate patients’ self-report of their pain state. This program is offered at www.pain.com and www.anesthesiologyonline.com, which are developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.
(See also Accredited Continuing Education Resources.)
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour, through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
Each resource is supported by an unrestricted educational grant from Purdue Pharma L.P.

ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

**Persistent Pain Management: Challenge of Long-Term Opioid Therapy**

Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This resource, authored by Richard Payne, MD, provides an overview of persistent pain management, with a particular emphasis on the challenges of long-term opioid therapy. Available at www.pain.com, a website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.. Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1 contact hour, through the California Board of Registered Nursing), and pharmacists (1 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University). Accreditation expiration: October 15, 2005.

**The Pain Processing Pathways**

Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This internet-based resource, authored by Bernard Abrams, MD, provides the most current details of pain processing pathways. This program is offered at www.pain.com, a website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.. (See also Accredited Continuing Education Resources.) Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1 contact hour, through the California Board of Registered Nursing) and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University). Accreditation expiration: November 4, 2005.

**Neuropathic Pain**

Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This resource, authored by Ahmad Beydoun, MD, provides an overview of neuropathic pain, including pathophysiology, diagnosis, and management. This program is offered at www.pain.com, a website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.. Accredited for physicians (maximum of 1.5 hours of Category 1 Credit toward the AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation) and nurses (1.5 contact hours, through the California Board of Registered Nursing) and pharmacists (1.5 contact hour [0.15 CEU] of approved ACPE continuing education, through Purdue University). Accreditation expiration: October 15, 2005.

**Racial Disparities in Pain Management**

Based on an activity held during the 2002 Annual Convention & Scientific Assembly of the National Medical Association (NMA), August 5, 2002, this activity is sponsored by the NMA, Family Practice Section, and is supported by an unrestricted educational grant from Purdue Pharma L.P.. This resource provides the health care professional with information related to palliative and end-of-life care, racial profiling and the treatment of pain, and ethical issues in pain management and effects on African Americans. This activity is available at www.nmanet.org. Accredited for physicians (maximum of 2 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the NMA). Accreditation expiration: October 31, 2003.
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

**Treating Chronic Nonmalignant Pain: Issues and Misconceptions**
This internet-hosted monograph, supported by an unrestricted educational grant from Purdue Pharma L.P., discusses issues and misconceptions in the treatment of chronic nonmalignant pain. Available at www.uspharmacist.com.

(See also Accredited Continuing Education Resources.)

Accredited for pharmacists (2.0 contact hours [0.2 CEUs] of continuing pharmaceutical education, through US Pharmacist).

**Palliative Care and End of Life Issues in Long-Term Care Facilities**
This program, supported by an unrestricted educational grant from Purdue Pharma L.P., was presented at a live symposium on November 8, 2001, at Senior Care Pharmacy 2001, the 32nd Annual Meeting of the American Society of Consultant Pharmacists (ASCP). The ASCP has posted this program on its website, which can be accessed at www.ascp.com.

Accredited for pharmacists (2.0 contact hours [0.2 CEUs] of continuing pharmaceutical education credit, through the ASCP).

Accreditation expiration: February 6, 2005.

**Symposium on Pain Management & Palliative Care**
This program, supported by an unrestricted educational grant from Purdue Pharma L.P., was presented by Sutter Health. Features pain management, breaking bad news, and hope enhancing strategies for the terminally ill. Faculty include James McGregor, MD, and Catherine Russell, RN. This activity is available at www.cme-webcredits.org/pain_management.html.

Accredited for physicians (maximum of 4 hours in Category I Credit toward the AMA Physician’s Recognition Award through Sutter Auburn Faith) and nurses (4.0 contact hours, through the Health Communications Research Institute and the California Board of Registered Nursing).

**Assessment and Appropriate Treatment of Geriatric Pain: A Call to Action**
This program, supported by an unrestricted educational grant from Purdue Pharma L.P., was presented at a live symposium on November 2, 2000, at Senior Care Pharmacy 2000, the 31st Annual Meeting of the American Society of Consultant Pharmacists (ASCP). The ASCP has posted this program on its website, which can be found at www.ascp.com.

Accredited for pharmacists (2.0 contact hours [0.2 CEUs] of continuing pharmaceutical education credit, through the ASCP).

ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

**Issues of Pain Management in the Hispanic Patient**
Based on lectures from the 6th Annual Conference of the National Hispanic Medical Association, March 21-24, 2002, Washington, DC; this activity is supported by an unrestricted educational grant from Purdue Pharma L.P.. Features two discussions: “Disparities in Pain Management—Will the Legacy Continue” and “Acute and Chronic Pain in Hispanic Patients.” This activity is available at [http://cme.uthscsa.edu](http://cme.uthscsa.edu) (click on “Web-based CME”).
Accredited for physicians (maximum of 1 hour in Category 1 Credit toward AMA Physician’s Recognition Award, through the University of Texas Health Science Center at San Antonio Medical School).

**New Advances in the Management of Pain in the Postoperative Setting**
This activity, sponsored by the European Society of Anaesthesiologists and supported by an unrestricted educational grant from Purdue Pharma L.P., is designed to help health care professionals better understand the management of pain in the postoperative setting and how various medications and forms of delivery impact on specific pain types. Faculty include Brian Ginsburg, MB, BCH, Scott Reuben, MD, and Phil Wilfen, BPharm. This activity is available at [www.cme-webcredits.org/pain_management.html](http://www.cme-webcredits.org/pain_management.html).
Accredited for physicians (maximum of 2.5 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the Health Communications Research Institute) and nurses (2.5 contact hours, through the California Board of Registered Nursing).
Accreditation expiration: August 1, 2004.

**Transitions Through Pain: Preserving Quality of Life With Palliative Care**
This resource, based on a live activity held on Tuesday, March 18, 2003, in conjunction with the American College of Osteopathic Family Physicians (ACOFP) 40th Annual Convention and Exposition, held in Nashville, Tennessee, is available at [www.acofp.org](http://www.acofp.org). Faculty include Katherine Galluzzi, DO, Paul M. Bryman, DO, and Jay A. Jacobson, MD. Supported by an unrestricted educational grant from Purdue Pharma L.P.
Accredited for osteopathic physicians (2 hours of Category 2-B credit);
Launch: September 1, 2003; accreditation expiration: September 1, 2005.

**Managing Pain Effectively: Improving the Quality of End-of-Life Care**
This resource, based on a live presentation at the Case Management Society of America Annual Conference in San Antonio, Texas, on June 25, 2003, is designed to expand the knowledge of case managers dealing with pain management issues within their various patient subgroups. Supported by an unrestricted educational grant from Purdue Pharma L.P. and available at [www.cmsa.org/webED](http://www.cmsa.org/webED).
Accredited for case managers (approximately 1.0 contact hours) by the Commission for Case Manager Certification.
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

American Pain Society Guidelines for the Management of Osteoarthritis Pain
This program, supported by an unrestricted educational grant from Purdue Pharma L.P. and presented live on December 3, 2001, during the 36th Annual American Society of Health-System Pharmacists (ASHP) Midyear Clinical Meeting in New Orleans, Louisiana, is available on the ASHP website at www.ashp.org.
Accredited for pharmacists (2.0) [0.2 CEUs] of continuing pharmaceutical education, through the ASCP.

Chronic Pain Management: Exploring the Elements
This slide program, originally presented at the Case Management Society of America 12th Annual Conference and Exposition, June 12, 2002, explores the basic elements necessary for assisting in the diagnosis and management of patients with chronic pain. The faculty included Alan Spanos, MD, MA, Thomas C. Snader, PharmD, FASCP, and William Mark Silverman, DO, FACOPP. Available at www.cmsa.org/webED.
Accredited for case managers (3 CCM contact hours, through the Commission for Case Manager Certification) and nurses (3.6 contact hours, through the California Board of Registered Nurses).
Accreditation expiration: June 1, 2004.

Ethical Issues In Surgical Oncology: A Panel Discussion
This internet-based activity, supported by an unrestricted educational grant from Purdue Pharma L.P., is from a live event at the 55th Annual Cancer Symposium sponsored by the Society of Surgical Oncology (SSO), March 14-17, 2002, Denver, Colorado. This program is available on the SSO website at www.surgonc.org.
Accreditation expired: March 14, 2003; available for self study.

This internet-based activity (approved for Certified Case Manager and Certified Disease Management Specialist accreditation) is based on a compilation of previously printed Disease Management Digest/Pain articles from 2002, which were supported by an unrestricted educational grant provided by Purdue Pharma L.P.. Titles of the articles are:
- Creating and Implementing Opioid Agreements
- Ensuring a Continuum of Effective Pain Control
- Opioid Pain Management in Patients With a History of Addiction
- Advocating for Appropriate Opioid Prescribing
- Managing Pain in Children and Adolescents
- Osteoarthritis Pain: APS Guideline Offers New Help for Case Managers

This activity is posted on the Care Management Journal website at www.jcaremanagement.com.
(See also Continuing Education Resources Available Directly From Accrediting Organization.)
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

Care Management Journal/Disease Management Digest: Pain (2001)
This internet-based activity (approved for Certified Case Manager and Certified Disease Management Specialist accreditation) is based on a compilation of six previously printed Disease Management Digest/Pain articles from 2001, which were supported by an unrestricted educational grant provided by Purdue Pharma L.P. Titles of the articles are:
- Myths and Facts: When Opioids Are Part of the Pain Management Plan
- When the Problem Is Pain
- Pain and Aging
- JCAHO Pain Standards: Strategies for the Case Manager
- Educating Clients With Chronic Pain
- Obtaining and Using Pain Assessment Tools

This activity is posted on the Care Management Journal website at www.jcaremanagement.com.
Accreditation expired: December 31, 2002; available for self-study.

Pain Management in a Hospitalist Model
This multidisciplinary accredited program produced by the Postgraduate Institute of Medicine and supported by an unrestricted educational grant provided by Purdue Pharma L.P., is available on the Cogent Healthcare website at www.cogenthealthcare.com.
Accreditation expired: May 31, 2003; available for self study.

Pain Report: An Update on Issues, Research, and Treatment Trends (Nos. 5 & 6)
Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. Available at www.pain.com.
(See also Accredited Continuing Education Resources.)
Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
Accreditation expiration: March 31, 2004 (No. 5) and August 31, 2004 (No. 6).
Addiction, Diversion, & Regulatory Issues

Fearful to Do What's Right: Legal Trends in a Changing Environment
This program, supported by an unrestricted educational grant provided by Purdue Pharma L.P., was presented at the Exhibitors Theater at the 37th American Society of Health-System Pharmacists (ASHP) Midyear Clinical Meeting, held in Atlanta, Georgia, December 2002. Available at www.ashp.org.
Accredited for pharmacists (2.0 hours [0.2 CEUs] of continuing pharmaceutical education, through the Pennsylvania Society of Health System Pharmacists and ASHP Advantage).

Abuse and Diversion: The Role of the Health-System Pharmacist
This program, supported by an unrestricted educational grant provided by Purdue Pharma L.P., was presented live on December 4, 2001, during the 36th Annual American Society of Health-System Pharmacists (ASHP) Midyear Clinical Meeting in New Orleans, Louisiana. Available on the ASHP website at www.ashp.org.
Accredited for pharmacists (1.0 hours [0.1 CEU] of continuing pharmaceutical education, through the ASHP).

New Legalities in Pain Management: The Impact on Family Physicians
This internet activity was produced from a live symposium in San Diego, California, October 2002, and provides family physicians with an update on the new legalities in pain management and their impact on primary care practice. This activity is supported by an unrestricted educational grant from Purdue Pharma L.P. and is available at www.familypractice.com.
Accreditation
The California Academy of Family Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Credit Designation
The California Academy of Family Physicians has reviewed this activity and designates it for 2.5 Category 1 credits. Term of approval is for one year from beginning distribution date of March 26, 2003, with option for yearly renewal.
This activity has also been reviewed and accepted for a maximum of 2.5 prescribed credits by the American Academy of Family Physicians. Term of approval is for one year from beginning distribution date of March 26, 2003, with option for yearly renewal.

Drug Diversion and Abuse: The Facts (University of Wisconsin)
This Purdue Pharma L.P.-sponsored symposium was produced from a live symposium in Atlanta, Georgia, October, 2001, and is available for self study on the FamilyPractice.com website at www.familypractice.com.
Accreditation
The University of Wisconsin Medical School is accredited by the ACCME to provide continuing medical education for physicians.
Credit Designation
The University of Wisconsin Medical School designates this educational activity for a maximum of 2.5 Category 1 Credits toward the AMA Physician’s Recognition Award. Term of approval is for two years from beginning distribution date of January 11, 2002, with option for renewal.
This activity has also been reviewed and is acceptable for up to 2.5 Prescribed credits by the American Academy of Family Physicians. This activity has been renewed from April 1, 2003, to March 31, 2004.
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization.

Drug Diversion and Abuse: The Facts (2001 Postgraduate Assembly in Anesthesiology)
These virtual presentations, supported by an unrestricted educational grant from Purdue Pharma L.P., are based on the following live lectures delivered on December 10, 2001, at the Postgraduate Assembly in Anesthesiology, New York.
- The Role of Opioids in Managing Pain: Clinical, Regulatory, and Ethical Issues (Stephen Long, MD)
- Drug Diversion: An Investigator’s Perspective (David B. Brushwood, RPh, JD)
- The Truth About Pain Management: An Addictionologist’s Perspective (Howard Heit, MD)

These lectures are posted on the www.pain.com and www.anesthesiologyonline.com websites.

Accredited for physicians (each virtual presentation is accredited for 0.75 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the California Academy of Family Physicians, together with the Dannemiller Memorial Educational Foundation).

Issues in the Regulation of Pain Management for Pharmacists
Part of the slide lecture series: “Managing Pain: Standards, Strategies, and Treatment.” This 55-slide internet-based resource, authored by David Brushwood, RPh, JD, provides the health care professional who is a member of the interdisciplinary pain management team with an understanding of the changes and professional responsibilities in pain management care, specifically from a pharmacist’s perspective. This program is offered at the www.pain.com website which is developed by the Dannemiller Memorial Educational Foundation, and supported by an unrestricted educational grant from Purdue Pharma L.P.

(See also Accredited Continuing Education Resources.)

Accredited for physicians (maximum of 1 hour of Category 1 Credit toward AMA Physician’s Recognition Award, through the Dannemiller Memorial Educational Foundation), nurses (1.0 contact hour through the California Board of Registered Nursing), and pharmacists (1.0 contact hour [0.1 CEU] of approved ACPE continuing education, through Purdue University).
Accreditation expiration: January 1, 2005.

Lawful Prescribing and Prevention of Diversion
This resource, based on a live presentation, is designed to help health care professionals recognize and prevent the abuse and diversion of prescription drugs, without discouraging prescribing for legitimate medical purposes. Faculty include David E. Joranson, MSSW, and Howard A. Heit, MD, FAOP, FASAM. Supported by an unrestricted educational grant from Purdue Pharma L.P. and available at www.pain.com and www.anesthesiologyonline.com websites.

Accredited for physicians (maximum of 1.5 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the California Academy of Family Physicians).
Accreditation expiration: June 1, 2004.

Legal and Ethical Issues Affecting Pain Management
This Purdue Pharma L.P.-sponsored symposium was produced from a live symposium in Dallas, Texas, September, 2000, and is available at www.familypractice.com.

Accreditation
The University of Wisconsin Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation
The University of Wisconsin Medical School designates this educational activity for a maximum of 2.5 Category 1 Credits toward the AMA Physician’s Recognition Award. Term of approval is for two years from beginning distribution date of July 25, 2001, with option for renewal.

This activity has been reviewed and is acceptable for up to 2.5 Prescribed credit hours by the American Academy of Family Physicians. This activity has been renewed from November 1, 2002 to October 31, 2003.
ACCREDITED CONTINUING EDUCATION INTERNET RESOURCES

There may be a charge for resources obtained directly from the accrediting organization

**Pain Management, Lawful Prescribing, and Anti-Diversion Skills and Strategies for Physicians and Pharmacists**

A case-based learning experience for physicians and pharmacists on pain management, lawful prescribing, and anti-diversion skills and strategies. Supported by an unrestricted educational grant from Purdue Pharma L.P. and available at [www.cme-webcredits.org/pain_management.html](http://www.cme-webcredits.org/pain_management.html) and [www.cpha.org](http://www.cpha.org). Accredited for physicians (maximum of 2 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the Health Communication Research Institute, Inc.) and pharmacists (2 contact hours [0.2 CEU] of continuing pharmaceutical education, through the California Pharmacists Association). Accreditation expiration: November 1, 2004.

**The Pharmacist’s Duty to Dispense Legally Prescribed and Therapeutically Appropriate Opioid Analgesics**

This ACPE-accredited feature article in *Pharmacy Times* (January 2002;68(1):55–65) on case law, and state and federal regulatory mandates, authored by David B. Brushwood, RPh., JD, is supported by an unrestricted educational grant from Purdue Pharma L.P. Available at [https://secure.pharmacytimes.com/courselist.asp](https://secure.pharmacytimes.com/courselist.asp). Accredited for pharmacists (2.0 hours [0.2 CEU] of ACPE continuing education credit, through Temple University School of Pharmacy). Accreditation expiration: January 31, 2005.

**Urine Drug Testing in Primary Care: Dispelling the Myths & Designing Strategies**

A monograph for primary care/family physicians providing the basic knowledge needed to rationally employ urine drug testing in clinical practice, improve patient care, and protect themselves. Supported by an unrestricted educational grant from Purdue Pharma L.P. Available on the website of the California Academy of Family Physicians at [www.familydocs.org](http://www.familydocs.org). Accredited for physicians (maximum of 2 hours of Category 1 Credit toward AMA Physician’s Recognition Award, through the California Academy of Family Physicians; up to 2 Prescribed Credit hours by the American Academy of Family Physicians). Accreditation expiration: AMA August 31, 2004; AAFP: August 31, 2003.
NONACCREDITED EDUCATIONAL RESOURCES FROM SPONSOR

There may be a charge for resources obtained directly from the sponsor

Pain Updates & Highlights

**Congress Reporter**
Written for clinicians by clinicians reporting from the International Association for the Study of Pain (IASP) 10th World Congress on Pain, San Diego, California, August 17-22, 2002, this monograph covers more than ten topics relating to pain mechanisms, assessment, and management, with an international focus. Supported by an unrestricted educational grant from Purdue Pharma L.P.. Available at [www.aspmn.org](http://www.aspmn.org).

**Nurse Reporter (Issue 1)**
Written for nurses by nurses reporting from the 12th Annual Meeting of the American Society of Pain Management Nurses (ASPMN), March 1-4, 2002, Salt Lake City, Utah, this monograph contains seven articles reporting on sessions covering such topics as addiction, gender and culture, politics, quality improvement, and the art and science of nursing. Supported by an unrestricted educational grant from Purdue Pharma L.P.. Available at [www.aspmn.org](http://www.aspmn.org).

**Nurse Reporter (Issue 2)**
Written for nurses by nurses reporting from the 13th Annual Meeting of the American Society of Pain Management Nurses (ASPMN), February, 2003, Kansas City, Missouri, this monograph contains seven articles reporting on sessions covering such topics as pain in older adults and minority populations, emergency medicine and pain management, and addiction. Supported by an unrestricted educational grant from Purdue Pharma L.P.. Available at [www.aspmn.org](http://www.aspmn.org).

**JCC Reporter (Issue 1)**
Written for nurses by nurses reporting from the 4th Joint Clinical Conference, April 9-12, 2003, Denver, Colorado, this monograph contains twelve articles reporting on sessions covering such topics as advanced pain and symptom management through palliative care, ethical issues in palliative care, assessing and relieving suffering at the end of life (the 6th vital sign), and communicating with non-English speakers. Supported by an unrestricted educational grant from Purdue Pharma L.P.. Available at [www.hpna.org](http://www.hpna.org).
NONACREDITED EDUCATIONAL RESOURCES FROM SPONSOR

There may be a charge for resources obtained directly from the sponsor.

**Pain Report: An Update on Issues, Research, and Treatment Trends (No. 1)**

Sponsored by Dannemiller Memorial Educational Foundation and supported by an unrestricted educational grant from Purdue Pharma L.P. All current issues are available at [www.pain.com](http://www.pain.com).

Issue No. 1 is also available by directly contacting the sponsor at:

The Pain Report #1

Dannemiller Foundation
12500 Network Blvd; Suite 101
San Antonio, TX 78249
E-mail: dannemiller@pain.com, Telephone: (800) 328-2308.

**Medscape/American Pain Society “Conference Coverage”**

This Medscape Conference Coverage is based on selected sessions at the 20th Annual Meeting of the American Pain Society (April 19-22, 2001; Phoenix, Arizona). This CME Center/Conference Coverage internet activity, supported by an unrestricted educational grant from Purdue Pharma L.P., is posted on the [www.medscape.com](http://www.medscape.com) website.

Nonaccredited archived resource available on “search” of referenced website.

**Addiction, Diversion, & Regulatory Issues**

**Regulatory and Legal Barriers to Effective Pain Management in the Long-Term Care Setting**

“Regulatory and Legal Barriers to Effective Pain Management in the Long-Term Care Setting” is a Conference Report from the American Medical Directors 2002 Annual Meeting. This journal supplement was first published with the *Journal of the American Medical Directors Association* (July/August 2002; Vol. 3, No. 4).
